CLUB NOTES
Brogan Pig Club Meets at Smith's
 Members of the Brogan Pig Club met at the home of their local leader, J. A. Smith on Tuesday afternoon. The feeding of weaning pigs including the kinds and amount of grain, green feed and amount of skim milk was discussed. Mr. Smith has a large number of Poland China pigs from four to six weeks old, and the boys spent considerable time in studying the desired Poland China type.

Dairy Herd Record Club at Oregon Slope Completes Project
 Five members of the Dairy Herd Record Club at Oregon Slope finished their project and filed their report with the County club agent on Tuesday. Several of the members left school and others got a late start so that the club was not able to finish 100 per cent. Mr. Lindsey local leader, assisted the boys with their testing and records. The members who finished the work are, Curtis Carico, Junior Miller, Ralph Lauer Deward Grace and Chester Holloway.

Iola Weber Completes Cooking
 Iola Weber, president of the Riverdale Cooking club, is the first girl in Malheur county to file her final report for 1922. The story of her work is as follows:
 "We organized a girls cooking club on the 15th of December 1921. Our teacher, Mrs. Keuhl, was chosen for local leader. I have enjoyed my work very much for I have learned something that I did not know before.
 "On the last day of school we had an exhibit. I received two blue ribbons as first prize and one white ribbon as third prize. I received prizes on all that I took. After the exhibit we ate the girls' cooking along with the mothers' dinner. I have enjoyed the cooking club so well that I am going to join the canning club this summer. I only hope that we will like it as well as we did the cooking. I will do my best to get one started. The boys have a pig club, and I think the girls ought to have something to do."
 (Signed) Iola Weber.
 I left my dad, his farm, his plow.
 Because my calf became his cow.
 I left my dad, 'twas wrong of course
 But my pet colt became his horse.
 I left my dad to sow and reap.
 Because my lamb became his sheep.
 I left my dad and hit New York
 Because my pig became his pork.
 The garden that I made to grow,
 Was his to sell and mine to hoe.
 And believe me I had to hoe.
 There was no riding down the row.

Ironer Demonstration
 Will be held at this office
Friday May 26

It is doubtful if one woman in a hundred really knows what and Electric Ironer can do. Many may doubt its practicability in the home, but when they have seen one of these time-savers demonstrated they will agree that every home laundry should be equipped with one.

The Thor Electric Ironer Does Perfect Work

It irons shirts—aprons—waists—dresses—curtains—linen—handkerchiefs—pajamas—lingerie—Stockings—underwear—collars and cuffs and other articles perfectly—better, in many instances, than they can be ironed by hand.

PRODUCERS ASSOCIATION ELECTS OFFICIALS

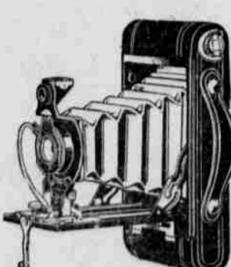

At a meeting of the members of the Ontario district of the Idaho Producers Union comprising the counties of Malheur Payette and Washington, held last Saturday afternoon at the City Hall, in Ontario G. W. Dean was elected a director to represent the district on the board of nine which will have control of this new cooperative organization which will market potatoes and lettuce this season for more than 1500 farmer members in Southwest Idaho and Southeast Oregon. At the same time, the balloting for district chairman resulted in the election of G. W. Lattig while Thos. W. Clagett was chosen for district secretary.

The Ontario district of the I. P. U. has over 200 members, grouped into six locals. Four of these locals are in Malheur county: Ontario Vale, Adrian and Oregon Slope. One is in Washington county, Idaho at Welsler and the other in Payette county Idaho at New Plymouth. The entire association is made up of 8 districts, similar in organization. The canyon county Farm Bureau is responsible for initiating the movement and for carrying out the plans which its lettuce and potato marketing committees worked out although it has had the active cooperation of many other county farm bureaus and other force working in the interest of agricultural advancement. The number of members and volume of produce to be handled exceeds already all expectations of the organizers, for the first year and other growers are constantly applying for membership as the purposes and plans of the association become better understood.
